

*Report on Preaward Survey of Prospective  
Contractor's Accounting System*

**September 2005**

**Reference Number: 2005-1C-167**

This report has cleared the Treasury Inspector General for Tax Administration disclosure review process and information determined to be restricted from public release has been redacted from this document.

TREASURY INSPECTOR GENERAL  
FOR TAX ADMINISTRATION

DEPARTMENT OF THE TREASURY  
WASHINGTON, D.C. 20220

September 26, 2005

**MEMORANDUM FOR** DAVID A. GRANT  
DIRECTOR OF PROCUREMENT  
INTERNAL REVENUE SERVICE

*Daniel R. Devlin*

**FROM:** Daniel R. Devlin  
Assistant Inspector General for Audit (Headquarters Operations  
and Exempt Organizations Programs)

**SUBJECT:** Report on Preaward Survey of Prospective Contractor's Accounting  
System (Audit # 20051C0233)

The Defense Contract Audit Agency (DCAA) examined the contractor's accounting system to determine whether the design of the system is acceptable for the award of a prospective contract, in accordance with the criteria set forth in Federal Acquisition Regulation (FAR) 53.<sup>1</sup>

According to the DCAA, the contractor's design of the accounting system in all material respects is considered acceptable for award of a prospective contract, in accordance with the criteria contained in FAR 53. The DCAA did not perform a comprehensive examination of the contractor's overall accounting system and its related internal control. Accordingly, the DCAA expresses no opinion of the contractor's system of internal control taken as a whole.

The information in this report should not be used for purposes other than those intended without prior consultation with the Treasury Inspector General for Tax Administration regarding their applicability.
